This morning we start the process of boarding our ship the MS Koningsdam where we will spend the next three nights cruising the Inside Passage. Overnight on-board ship. (L,D)

### **Sunday, July 21<sup>st</sup>**

Today sit back, relax, and enjoy the beautiful scenery that Alaska's Inside Passage has to offer! The MS Koningsdam has many amenities for you to enjoy along the way. You can sit on one of the many decks that have lounge chairs for you to pass the time away viewing the scenery, or maybe sighting a dolphin or killer whale along the way! Alaska's Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of Southeast Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, Overnight on-board ship. (B,L,D)

### **Monday, July 22<sup>nd</sup>**

Enjoy this morning on your cruise ship. This afternoon we visit Alaska's capitol...Juneau. Juneau is only accessible by air or sea. This afternoon we have included a whale watching & Mendenhall Glacier tour. Overnight on-board ship. (B,L,D)

### **Tuesday, July 23<sup>rd</sup>**

We disembark our cruise ship this morning and enjoy the town of Skagway, Alaska. History never gets old in Skagway. This Klondike Gold Rush National Historic Park boasts restored buildings and wooden boardwalks that invite you to stroll into the past. Take your time and poke into every little store, from the Trail Bench to Lynch & Kennedy's Dry Goods. The Red Onion Saloon, with its honky-tonk piano and costumed barmaids is a treasure trove of memorabilia. We continue by traveling the White Pass & Yukon Railroad up the mountain out of Skagway. We then board a waiting motorcoach for our short journey to Whitehorse, Yukon Territory where we spend the night. Overnight Whitehorse, YT (B,D)

### **Wednesday, July 24<sup>th</sup>**

Our journey today will be much faster than the gold miners. We take a motorcoach from Whitehorse to Dawson City today. In the summer of 1896, a small cadre of prospectors making their way along Bonanza Creek, a tributary of the Klondike River, stumbled upon huge quantities of gold. Word of the discovery spread slowly until the next summer when word hit Seattle and San Francisco. The Klondike Gold Rush ignited, and the town of Dawson sprang into being to serve the floodtide of prospectors. Located at the confluence of the Yukon and Klondike Rivers, Dawson is now a National Historic Site that has turned back the clock to preserve a rich living history. Enjoy the old fashioned "Gold Rush" days and feel that this town has to offer. Overnight Dawson, YT (B,L,D)

### **Thursday, July 25<sup>th</sup>**

Spend the day today exploring Dawson City. Where old-time wooden boardwalks connect frontier-era buildings in the Yukon Territory's original capital. The heart of the Klondike Gold Rush, Dawson City housed around 30,000 people in the summer of 1898. But the town was sliding towards "ghost" status just a year later: A fire had destroyed 117 structures, right as the gold ran out and rumors arrived of nuggets in Nome, Alaska. In the early 60's, Parks Canada began refurbishing landmarks like the Palace Grand Theatre (1899) and the Commissioner's Residence (1901). Today you wander this subarctic hotspot, which has retained its 19th-century charm. Highlights include the Jack London Museum, Diamond Tooth Gerties Gambling Hall, Robert Frost's cabin and the Sourdough Saloon, which infamously serves a cocktail containing a preserved human toe. Overnight Dawson, YT (B,D)

### **Friday, July 26<sup>th</sup>**

Today we take a short flight from Dawson to Fairbanks, Alaska. We hope you enjoyed the city of Dawson and got a bit of the "Gold Rush Fever" as we prepare to pan for gold later in Fairbanks! To learn about Alaska and the Fairbanks area visit the Morris Thompson Cultural & Visitors Center downtown Fairbanks. Overnight Fairbanks, Alaska. (B,D)

### **Saturday, July 27<sup>th</sup>**

We pan for gold this morning at the authentic Gold Dredge No. 8 which is listed on the register of National Historic Sites. After that we venture south to Denali National Park where we spend the next two nights. Browse the shops, take a helicopter ride to Denali (additional expense) or just sit back and enjoy the many amenities the hotel has to offer. Overnight McKinley Chalet, Denali, AK (B,D)

### **Sunday, July 28<sup>th</sup>**

This morning we take the Denali National Park Tundra Wilderness Tour. This four to six-hour tour takes us into Denali National Park. Watch for caribou, grizzlies, moose, Dall sheep and more. Keep your eye out for Denali today. There will be dramatic lookout points along this journey. Overnight McKinley Chalet in Denali. (B,L,D)

### **Monday, July 29<sup>th</sup>**

This morning we board the McKinley Explorer luxury domed railcar and enjoy our journey south to Anchorage. Late this afternoon we check into our hotel and enjoy an included evening meal. Overnight in Anchorage. (B,L,D)

### **Tuesday, July 30<sup>th</sup>**

Today we enjoy the Alaska Railroad and cruise the calm waters of Prince William Sound. Start your day on the Glacier Discovery Train that follows Turnagain Arm's coastline, revealing stunning views in every direction. The train veers away from the highway and winds along fast-flowing rivers at the base of the Chugach National Forest's towering mountains. We board a high-speed catamaran in Whittier to explore the calm waters of Alaska's Prince William Sound where we have impressive panoramic view of 26 spectacular glaciers flowing down from the mountains to the saltwater. We ride the train back to Anchorage this evening. Overnight in Anchorage.

### Wednesday, July 31<sup>st</sup>

This morning is free to explore Anchorage. Enjoy Alaska's largest city. We fly out of Anchorage today arriving back to Minneapolis, St Paul. We then board a motorcoach that will bring us back to Wes & Karen's in Appleton. We hope you enjoyed the trip of a lifetime to Alaska and would like to thank you for traveling with WD Tours.

2024 Alaska Tour Participant:

In 2024 there are a few highlights to mention about the tour. We now will be spending two nights in Vancouver to be able to enjoy their city. You can take an optional Butchart Gardens tour on Friday while in Vancouver should that be on your bucket list. We have added a whale watching/Mendenhall Glacier tour while in Juneau, and last but not least we have added an extra day in Anchorage for us to enjoy an included 26 Glacier Cruise out of Whittier. Getting to and from Whittier we will be traveling on board the Alaska Railroad round trip from Anchorage.

Over the years our clients said they were glad we incorporated the many forms of travel on this tour. They also were very appreciative of the quality of the hotels, and the fact we included a meal plan for them. Many of our clients had steak, ribs, salmon, or halibut for their evening meal, and that \$50 - \$70 meal was included in their tour package. They felt they saved a bunch of money by having the meal plan in place for them.

**We recommend that you purchase travel insurance. Karen & Wes purchase trip insurance every year for themselves as they cannot afford to lose that kind of money should they have a family emergency to attend. We encourage you to purchase trip insurance also.**

**The tour payment schedule is as follows:**

\$1000/person due on initial sign up. (Sign up before October 31<sup>st</sup> to avoid the price increase!)

\$1000/person due January 1<sup>st</sup>

Balance due March 15<sup>th</sup>

**The cancellation policy is as follows:**

Cancel on or before March 31, 2024 full refund will be issued.

Cancel after April 1<sup>st</sup> - Lose full tour cost

Trip insurance needs to be purchased before the final payment is made in March.

**You will need a valid passport for travel into Canada on this tour.**  
**Start that process early so you have it in place prior to departure.**  
**If your passport expires before December 2024, you should renew your passport now.**

Feel free to contact us if you have any questions.
