Our first stop today is the Belle Meade Plantation, now officially titled Belle Meade Historic Site and Winery, is a historic farm established in 1807 in Nashville, Tennessee, built, owned, and controlled by five generations of the Harding-Jackson family for nearly a century. The farm, named "Belle Meade" (beautiful meadow), grew to encompass 5,400 acres at its zenith and used a labor force of 136 enslaved workers. The farm's centerpiece was a Greek revival mansion built in 1853. Belle Meade Farm gained a national reputation in the latter half of the 19th century for breeding thoroughbred horse racing stock, notably a celebrated stallion, Iroquois. In the Civil War, when the Union Army took control of Nashville, the mansion was pillaged and looted by soldiers who spent weeks quartered there; the owner was imprisoned. In the aftermath, the plantation recovered, but with greatly reduced capacity. Roughly half of the enslaved persons returned as paid employees after the war and lived in their own homes nearby. After a financial downturn in 1893 and later the death of the owner and his heir, the estate was dismantled and sold in parcels in 1906. It now has been restored and is on the National Register of Historic Places. While here we will enjoy an included meal in their carriage house and stables.

A local step on guide shows us the highlights of Nashville this afternoon. This evening we will visit one of Nashville's oldest traditions. The Grand Ole Opry features country music's stars, superstars and rising stars all on one stage. Overnight Nashville, TN. (B, L)

The Country tonight will be our final show of the evening. Overnight Pigeon Forge, TN (B,S)

Dolly Parton's Stampede in Pigeon Forge features friendly competition, thrilling horse riding stunts, spectacular special effects, phenomenal music productions, and a four-course feast. This show and meal is always one people enjoy. Overnight, Pigeon Forge, TN (B,S)
